Civil Action No.: 11-0760(JAP)(TJB)**

Dear Judge Pisano:

This firm, along with Sughrue Mion, PLLC, represents the Hanmi Defendants ("Hanmi") in the referenced matter. We enclose, for the Court's consideration, the parties' stipulated scheduling order amending the current schedule for the completion of *Markman* briefing and briefing on Hanmi's five pending summary judgment motions consistent with what was discussed with the Court during the November 1, 2011 teleconference, save for the date for submission of Hanmi's reply briefs in further support of its five summary judgment motions. With respect to Hanmi's reply briefs, plaintiffs have consented to an extension until December 19, 2011 for their submission to the Court.

If the enclosed stipulated scheduling order meets with the Court's approval, the parties respectfully request that Your Honor so order same and have it entered on the docket.

Respectfully,
